1. The following is an examiner's statement of reasons for allowance: the prior art fails to show or fairly suggest an image output calibrating system for cameras having the combination as claimed, including a camera, a camera support for supporting the camera so as to direct the camera at a plurality of different angles, an angle sensor for detecting an angular position of the camera; a light source placed in front of the camera and a control unit for associating angular values produced from the angle sensor with corresponding positions of an image of the light source on the imaging device, as recited in the claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Sherrie Hsia whose telephone number is (571) 272-7347.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, David Ometz can be reached on (571) 272-7593.
